**3. Whose products do we offer?**

We only use a single insurer for each product; you will be advised of the insurer at quotation stage and in your policy documents. We arrange and issue documentation on behalf of the insurer.

---

**4. Payments**

We accept payment by cheque but cannot issue cover without payment. The following credit/debit cards are accepted: Visa, MasterCard, Maestro and Solo. Direct debit payments available through Premium Credit Limited. Cover will cease if you fail to pay an instalment.

We receive premiums you pay to us as Agent of the Insurer with whom we place business with under a risk transfer agreement. All insurance premiums you pay to us are protected in an Insurer Trust Account until we pay insurers. We do not pay any interest on premiums held by us in the course of arranging and administering your insurance or income derived from arranging premium financing.

---

**5. The service we will provide you with**

Our services include arranging your insurance cover, helping you with any ongoing changes and assisting with any claim. You will not receive advice or recommendations from us. You will need to make your own choice about how to proceed. The main policy meets the demands and needs of someone looking to insure against accidental damage, fire, theft, storm and third party liability protection for injury or damage you may cause to others. Legal expenses cover is suitable for an individual looking to insure against the costs involved in obtaining recovery of any losses which are not insured by the main policy. If you mislay your policy at any time, we will issue a replacement policy document, if you request it.

---

**6. What will you have to pay us for our services?**

When we sell you a policy, the underwriter and / or direct debit provider usually pays us a percentage commission from the total premium. If the type of policy we sell reaches specific profit targets, they may also pay us an additional bonus. We may also receive a commission or fee for passing introductions to other professional firms.

An administration charge of £15 is made for issuing duplicate documents or use of Royal Mail Special Delivery postal service. We make a charge of £15 to cover the administration costs of any mid-year policy adjustment or processing a bounced cheque. No charge or refund will be made for any mid-year policy adjustment or cancellation if the amount (including the administration charge) is less than £10.

---

**7. Your right to cancel**

For guidance on how to cancel your policy, please refer to the "Cancellation of Your Policy" section of your policy booklet. If you cancel your policy within 14 days of the date you receive your policy documents, your premium will be refunded in full, provided no claim has been made during the current Period of Insurance. If you cancel your policy after 14 days of the date you receive your policy documents, Happy Place will charge a £30 cancellation administration fee. This will be deducted from any refund due from your insurer(s). Where you pay by monthly instalments or there are not sufficient funds from the insurer refund, you will be required to pay this fee separately.

Following the cancellation of your policy, any outstanding balance which is not settled within 21 days will incur a £10 administration charge, with an additional £10 charge for each subsequent 21 day period it remains outstanding. If the balance is not settled within 60 days we may refer the matter to a debt collection agency or submit a county court claim, incurring additional costs payable by you (we will notify you of these costs in advance). These charges are applicable unless specifically agreed otherwise in writing, and at our discretion.

**8. Your duty to give information**

When applying for, amending or renewing your insurance policy, we and / or your insurer will ask a number of questions to assess the risk prior to agreeing cover. It is your duty to ensure that you answer all questions honestly and reasonably. These questions are designed to enable us or the insurer to obtain a comprehensive picture of the nature of the risk to be insured, and only by asking such questions and receiving answers which are given honestly and with reasonable care, can we or the insurer be in a position to offer terms which are designed to meet your demands and needs.

The reason why this is extremely important is that if you fail to tell us or the insurer something when asked, or, if you answer carelessly or act deliberately or recklessly in making misrepresentations when answering questions, your policy may leave you with no insurance protection; insurers may not pay a part or all of your claim and may cancel your policy. You may find it difficult to re-arrange cover because you did not tell an insurer everything when asked, and you will have to disclose this fact when you reapply for insurance.

---

**9. Confidentiality and Data Protection**

We will treat your personal information as confidential to us and anyone else involved in the normal course of arranging and administering your insurance, even when you are no longer a customer. We will use your information to inform you about our insurance services; to provide you with services requested; to administer, service and maintain your policy, including servicing a claim. Full details of how we may process your information and the rights you have over this information can be found at [www.happyplace.co.uk/security-privacy](http://www.happyplace.co.uk/security-privacy), or we can provide a copy in writing at your request. Please note that we may also send confirmation of your decision to take insurance with us to any company that introduced you to us (e.g. a dealer, holiday park or members organisation). That company may use such information for statistical analysis, confirmation of payment of commission, and/or to improve relevancy of their future marketing campaigns. Please notify us within 14 days of receiving this document if this is not ok.

**11. Are we covered by the Financial Services Compensation Scheme (FSCS)?**
